

Donation to the Italian Earthquake Relief Efforts on Behalf of Euronet's Italian Employees

Dear Italian Team,

I am pleased to tell you that Euronet has made a €50,000 donation to the Red Cross Italian earthquake response efforts on your behalf.

In the ten years since we have entered Italy, you all have shown relentless drive and commitment to making Italy a profitable contributor to Euronet's financial results. We know that many of you have friends and family that have been impacted by this tragedy and it is your efforts that have made this donation possible.

Our customers, partners and staff across our three segments – Euronet, epay and Ria - in Italy are an integral part of our global business and we hope this donation to the Red Cross will provide critical help where it is needed most.

Thank you for your hard work and continued dedication to Euronet.

Best Wishes,

Michael J. Brown
Euronet Chairman & CEO
